## OCA/UCI Race Eligibility:

- All holders of UCI licence holders may register for their licensed race
- UCI licence holders may only race in the OCA/UCI race and NOT the Youth or Beginner races; it is an either or choice
- OCA Citizen Permit holders may register for Youth, Beginners or U17 races
- US riders with domestic licences may register for the OCA category race that best matches their US domestic licence category (see below).

## One Day Permits:

- One Day permits are only available for the lowest level ability category.  
Go to [www.ontariocycling.org](http://www.ontariocycling.org) for more details.
- US riders with domestic licences must purchase a one day permit and will be allowed to register in the category listed on their domestic licence and to up-grade.
- One Day permit fees are \$10 OCA/UCI races. One-day permit fees are built into the entry fees for youth races.

## Start Times

While every effort will be made to start races as advertised, delays can happen. All riders should be ready to race at least 15 minutes before their advertised race time. Races will not be delayed for late riders.

## Numbers

Each rider will be supplied with 2 numbers at sign-in/registration. Please do not trim, crumple or modify their size. Please bring pins with you. All riders will position their numbers as per the diagram posted at sign-in. Any rider whose numbers cannot be seen clearly will NOT appear in the results. Please return numbers.

## Warming-Up On Course

Unless announced otherwise, warming-up on the course is NOT allowed.

## Safety & Emergency Action Plan

Marshals, security and barriers at key points and along the start/finish area will ensure riders' safety. Riders should watch for pedestrians. First Aid is located in the GM Chicane area.

Emergency Medical Responders are providing full paramedical services during the day. There are three hospitals within 10 km of the circuit.

## Race Rules and Regulations

It is every competitor's responsibility to know the rules. The race will be carried out as per current UCI / CCA / OCA rules, regulations and guidelines. This includes weight, wheels, helmets, handlebars and infraction schedules.

Any teams using 2 way radios, please stay off channels 1 through 16 as these are reserved for use by the commissaries and the organization.

Riders must wear the registered club jersey, as indicated on their licence. Independent and unlicensed riders must wear plain-coloured jerseys with no advertising displayed. Sleeveless jerseys are not permitted.

## Pit

There will be a pit area near the start line. A neutral mechanic will be in attendance. Only licensed team personnel are permitted in this area, one person per team. Riders who put wheels in this pit area are asked to clearly mark each wheel with the number and the team/club name. Please collect wheels immediately after the finish of your event. The organization is not responsible for any left or forgotten wheels.

## Mishaps

Riders will be given free laps for any puncture, mechanical breakage or crash at the discretion of the commissaries. Riders *must report to the Pit Commissaire to receive any free laps*. There will be no free laps given in the last 5 laps of any race. First Aid is located in the GM Chicane area.

## Lapped Riders

All lapped riders will be pulled from the race just before being caught by the bunch.

In the event of a break lapping the bunch, the bunch will finish 2 laps before the lapping riders.

## Results

Results will be posted near sign-in as soon after the completion of a race as possible. Riders have only 20 minutes to review and notify the Chief Commissaire of any challenges, errors or omissions, after which if no challenges have been received they are deemed correct and prizes will be awarded based on them. If errors are identified then prizes will be delayed as long as required.

## Protocol

The top placed finishers in each event should present themselves to the podium area approximately 40 minutes after the posting of their race's results. Any placed riders who do not attend the prize presentation at the end of the race may forfeit their prize and be subject to disciplinary action as laid out in the CCA schedule of penalties.
