

Pledge Form

The Hamilton Velodrome Campaign Cabinet is dedicated to raising private sector donations in support of the development of a Velodrome to host the 2015 Pan Am games and beyond. This pledge form provides the opportunity to demonstrate your support of this exciting initiative. At this time, we are seeking your commitment to help us showcase our community's support. We will contact you directly to confirm your commitment, once the decision on the Velodrome has been announced.

Should you have any questions, please do not hesitate to contact me directly.

Thank you in advance.
