Dear President, dear Pat

Thanks for your call this evening. I have been able to talk with my President. He suggests that once you have dealt with issues relating to the public hearing which is scheduled for Friday, and any ongoing issues with the present Commission, that you speak directly with him as to any other way forward. He is prepared to discuss those matters privately with you after the current Commission is resolved.

I think you have his mobile number ? If not I can give it to you.

Kind regards

David
